When good things are flying by you,  
Just reach out and take a grab.

**MERZ BROS.**

TODAY is "Appomattox Day," the fiftieth anniversary of the battle of Appomattox, marking the ever memorable scene of the surrender of the "Appomattox Day" remnant of the vast Army of the Confederacy under General ROBERT E. LEE to ULYSSES S. GRANT, the commanding and victorious Union General.

Five years of bloody civic strife have been followed by forty-five years of industrial peace, progress and civic development without a parallel in all human governments.

Today the beautiful and revered Stars and Stripes wave over a united people and a Nation of States, one and inseparable, and the greatest and the freest in all the world's history.

Our progress and our civic greatness and power are the real meanings to our future. Well were the elementary principles of our Government founded and grounded in virtue, truth and justice, that human rights and personal liberty might endure forever and the God-like gifts of equal citizenship descend to every American, either native or foreign born.

The American Constitution follows the American Flag, both blazing the way to progress, universal liberty, equality and all the priceless rights of human life, at last evangelizing the world in all the ways of peace, plenty and freedom.

Without Appomattox these results would not now be possible.

## A Guarantee To Rheumatics

Treatment of Rheumatism Revolutionized by Simple Remedy Which is Absolutely Guaranteed.

Startling new features are presented in the new remedy called D-M-F, which has lately been the subject of wide attention among those afflicted with rheumatism and lumbago, gout and neuralgia. Physicians, too, have given this remedy an approval which

has never been accorded to other rheumatic treatments. Dr. C. W. Benson, prominent in Oklahoma and the Southwest for his success in the treatment of rheumatism, states that he is willing to stake his professional reputation on the fact that D-M-F will cure even so-called incurable cases.

D-M-F has produced results almost unbelievable. Not only for fresh, new cases, but also for long chronic and serious cases has it proved one of the most remarkable remedies ever produced. It has the unique feature of "signaling" to the patient by means of peculiar symptoms, the progress of uric acid elimination.

C. H. Fargo, of Warsaw, N. Y., says: "I had rheumatism about seven years. I started 'D-M-F' and by George, inside of six weeks, I was cured." C. T. Watkins, also of Warsaw, N. Y., says: "I suffered with terrible rheumatism for five years, all crippled up for days at a time. I began taking 'D-M-F' and felt an improvement within two days, and two bottles cured me. My case was a bad one."

D-M-F is guaranteed as to results. Many of the most terrific cases imaginable have been quickly conquered by its peculiar, powerful, yet safe action, in two or three weeks.

D-M-F is absolutely free from opiates or dangerous drugs. Read about its wonderful action in the circular packed in every D-M-F carton. Read the guarantee.

Get D-M-F at your druggist's at \$1.00 a bottle. If you are satisfied with it, as you will be, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

D-M-F is recommended and sold in Mayville by J. James Wood & Son.

## OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."

—Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.

## OUR WEEKLY SPORT LETTER

BY C. H. ZUBER.

CINCINNATI, O., April 6th, 1911.

While he does not divulge the location of the feed box from which he gets his information, President Thomas Lynch of the National League is not at all backward about entering the realm of the baseball fouts for this coming glorious season of 1911, and comes out with the strong and unqualified announcement that six of the eight teams of his circuit have about an equal chance to come home with the championship bunting in the fall of this year. That prediction promises an extraordinary and hot scramble for the flag, and indicates that the season will be the most exciting the game ever has known. While Mr. Lynch does not announce quite as boldly which of the teams he feels will not be in the running for the flag, it is reasonable to suppose that he picks the Cardinals and the Beanes as the also-rans for the reason that both these aggregations are more or less in an experimental state. The other six teams, however, are thoroughly organized in every department and promise to make the running interesting right from the start. And the team that gets away with a flying start is likely to have a hunch on its competitors.

The annual discussion regarding a too early return from the South is going on in the camp of the Reds, due to the fact that they were unable to do much work for a week after their return from Hot Springs. However, this fact isn't going to place a handicap on Griffith's men for the opening of the season on next Wednesday, as there still is sufficient time intervening to allow the men to make up the lost time, and then some. Give them a fair day for the opening and they'll show up as well on the field as their opponents, the Pittsburgh's, or any of the other teams that spent considerable more time in the South. Manager Griffith has not been able to decide at this early date who of his conditioned pitchers he will use against the Pirates in the opener. Fromme, Jasper, Soggs and McQuillen are on edge, and the first is likely to fall on any one of this quartette. It will also be one of these four in the first Sunday game of the season, scheduled for April 16th, with the Cardinals as the Reds' opponents.

Unbiased reports on the fight between Carl Morris and Mike Schreck down in Oklahoma last week indicate that too much hope must not be attached to this "white man's hope," although he did succeed in walloping the beefy and untrained Schreck in six rounds. The big engineer appears to have a good wallop and a lot of nerve, and it will be remembered that Jeffries had no more when he was metamorphosed from a boiler maker into a world's champion. It is possible, of course, that Morris will develop into the right man to take the laurels from Jack Johnson, but just at present Johnson's most likely conqueror is his craze for fast automobile driving, which has landed him in a San Francisco Jail for a period of 25 days, and has temporarily made a white washer out of him. A few sessions in the calaboose will do more to defeat Johnson than the wallops which he has been receiving on that inch-thick bone skull of his.

While there is an occasional report of some stock farm going out of existence because of the ever-increasing stringency of the racing laws, the stork still is extremely busy at those that are doing business, with the result that some of the big stakes which will be run off this year, especially on the trotting tracks, are not suffering for want of entries. One of the strongest evidences of this continued interest in breeding and racing is found in the list of nominations for the Kentucky Futurity, the great \$21,000 event of the trotting season at Lexington. No fewer than 1,247 mares have been entered in the first lists for this event, and of these, 204 come from the Patchen Wilkes Farm, this being the largest number ever entered from one farm, and the total surpassing all previous records of nominations for the event. All of which goes to show that our Kentucky neighbors, on the whole, are not to be deprived of the pride and pleasure they have always manifested in the horse.

## IF YOU HAVE A SICKLY YOUNGSTER TRY THIS FREE

The family with young children that is without sickness in the house now and then is rare, and so it is important that the head of the house should know what to do in the little emergencies that arise. A child with a serious ailment needs a doctor, it is true, but in the majority of instances, as any doctor knows, the child suffers from some intestinal trouble, usually constipation.

There is no sense in giving it a pill or a remedy containing an opiate, nor is flushing of the bowels to be always recommended. Rather give it a small dose of a mild, gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which, by cleaning out the bowels and strengthening the little stomach muscles, will immediately correct the trouble.

This is not alone our opinion but that

of Mrs. N. H. Mead of Freeport, Kans., whose granddaughter has been taking it successfully and of Mrs. J. R. Whiting of Lena, Wis., who gives it to her children and takes it herself. It is sold in fifty cent and one dollar bottles at every drug store, but if you want to test it in your family before you buy it send your address to Dr. Caldwell and he will forward a supply free of charge.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 241 Caldwell building, Monticello, Ill.

The said sidewalks and curb and gutter shall be constructed in conformity to the plans and specifications for the construction of cement sidewalks and curb and gutter on file with the Mayor of the City of Maysville and now referred to and adopted as a part of this ordinance and hereto attached.

SEC. 2. Said work shall be done and said material shall be furnished at the exclusive cost and expense of the owners of lots, parts of lots and parcels of land fronting or abutting on said streets except as above mentioned and between said points in front of which said improvements shall be so constructed and under the supervision of the Engineer and Special Sidewalk Committee and subject to the approval of the said City Council, and if it should be found by the said City Council that any part of said improvement does not conform to said specifications or to this ordinance, or that any materials so furnished are not of the kind or quality required by said specifications, said City Council reserve the right to require the contractor to have the same completed, in the manner specified, by some other person at the cost and expense of such contractor.

The contractor to whom the contract for doing said work may be awarded hereunder, must enter into a written contract with said city and must execute bond to said city sufficient to guarantee the faithful performance of his undertaking.

SEC. 5. When the work is completed in accordance with the contract and specifications, the work shall be received by the said City Council upon the receipt of a certificate from the City Engineer and Special Sidewalk Committee, stating that the work has been done according to contract and specifications; and the said City Engineer shall apportion the cost of said improvements against the lots or grounds abutting or bordering the improvements, except as above mentioned, and any owners of the lots and grounds abutting or bordering the improvements desiring to settle in cash for the improvement assessed against them, may within thirty days after the adoption of the apportionment, pay the amount assessed them to the City Treasurer, who shall place the money in the "Street Improvement Fund." At the expiration of thirty days after the adoption of the apportionment, the Treasurer shall report to Council the amount of cash received, from whom and upon what lots it is paid, and the Council shall order the Mayor and City Treasurer and Chairman of the Ways and Means Committee to advertise Sidewalk Improvement Bonds for sale to cover the unpaid balance, together with all expenses attending the issue and sale of bonds, including the advertisement, cost of printing bonds, etc., said bonds to bear interest at the rate of 6 per cent. per annum; and when the bonds shall have been sold, the money realized therefrom

The first installment, together with interest on the whole amount at the rate specified, shall be payable at the first payment of taxes next succeeding the time the assessment is placed upon the tax list, the interest to be computed to the date that taxes are due and payable and other installments annually thereafter and always at the time of payment of the other city taxes, with interest on the installments not due at the time, until all installments are paid. The assessments may be collected like other city taxes or the city may at any time after one installment remains delinquent for thirty days, by suit in equity, enforce its lien for all the unpaid installments with interest thereon until the date of satisfaction of same and its cost expended.

SEC. 7. That all ordinances and parts of ordinances in conflict herewith are hereby repealed.

SEC. 8. That this ordinance shall be in full force and effect from and after its passage and publication.

DON'T WAIT FOR THE FATAL STAGES OF KIDNEY ILLNESS—PROFIT BY MAYSVILLE PEOPLE'S EXPERIENCES

Occasional attacks of headache, irregular urination, headache and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time, but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles or any part of the body—don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old-time health and vigor will return. Cures in Maysville prove the effectiveness of this great kidney remedy.

Frederick Dressel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the kidney secretions were scanty and attended with pain during passage. Sharp twinges across the small of my back were common and greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they gave me prompt relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## "How Can I Appear Best Always At the Smallest Money Cost?"

This is a mighty important question to you. It strikes right at the heart of the clothes question. We can best help you answer it. It's not the first cost that counts. An unworthy garment is the most expensive in the end. The secret of dressing well at a minimum expense lies in the care of the selection. If you select wisely and well, we have no fear that you will pass our present offerings. And the first cost of clothes—the kind we sell, admittedly the finest garments procurable, made specially for us—is no greater than that of ordinary clothes.

### KILLS SELF AND WIFE

**Everett Poe Well Known Bracken County Man Murders Wife and Thn Suicides**

AUGUSTA, KY., April 6th—Everett Poe, forty-seven years old, shot his wife, Mrs. Eva Poe, forty-five years old, through the back and then shot himself twice in the breast. Both died in a few minutes.

They had separated several times in the last few years on account of another woman.

The shooting occurred at James Ware's home, where Mrs. Poe had gone to care for Mrs. Ware, who is ill. The couple had one daughter, Mrs. Herbert Smith, and one boy.

The dead murderer was a noted horseman of his county and was in Maysville last Monday attending County Court Day stock sales, in company with James Ware.

There is more in the tragedy sent out from Augusta and the facts will develop later.

Lawrence, Kas.—Dr. J. F. Stone of this city says: "My wife suffered for ten years from womanly troubles, during two years of which she was totally helpless. The tonic, strengthening and restorative effects of Cardui, the woman's tonic on the womanly constitution, are the most valuable qualities of this popular medicine. Cardui acts specifically on the womanly constitution. Half a century of success proves that Cardui will do all that is claimed for it. Try it for your trouble."
